Subject: Love is the key to the Son

Good day all. On our journey toward union with the mind of our Father, through the mind of Christ – the undivided Son – we are attacked by the forces of darkness of the anti-Christ, which do all they can to thwart our efforts toward perfect and complete union with the Son. Yet we must remember that the Son is all of creation, not just *only* our image of our Lord Jesus Christ, that is the singular Spirit of our Father's eternal Spirit, that manifests through *everything* that is and ever was. Here we must *love* thy neighbor as the Spirit of our Father in whatever form It arrives to greet us ~ for if we don't see our Father in every form, *even* the forms that appear to attack us, we have failed in our efforts toward perfect and complete union with the Son.
Amen. And may you all be blessed in our Father's love and grace.
