Subject: Obsession dispossession

Good day all. This is perhaps the most difficult of all ~ to dispossess our self of all obsession possession. For unless we can let go of all our longings and obsessions, we remain tormented and affixed to the mind of craving and in service of the god of mammon. This god of mammon is the capitalists' nightmare who will quench your thirst and then leave you dry. This god of mammon is the devil of torment, who promises the world, but takes us for a ride. For nothing in this world can last forever, and our obsessions are the worshipping of the 'things of this world.' So we must make the decision, to *evict* our obsessions, to serve only one god, the God on High. Amen. And may you all be blessed in our Father's love and grace.
