Subject: Pardoning the unpardonable

Good day all. We walk through life not knowing that guilt is an attack against God, that anger is an attack against God, and that unforgiveness is the attempt to hold God's Spirit in bondage. For the spirit of God's creatures IS the Spirit of God. This is why Jesus placed so much emphasis on pardoning the unpardonable, and releasing our fellow brethren from *all* their debt ~ for in releasing our fellow brethren from their chains and prison we are releasing Christ and our Father's Spirit. Amen.

And may you all be blessed in our Father's love and grace.
