

CHURCH SERVICE WITH MAITREYA CHRISTOS
July 19th, 2019

Subject: The open Truth

Good day all. That which seeks to guide us toward the Truth and Reality of all things is not shielded from any genuine Truth-seeker. For this is the Holy Spirit, the guiding wisdom of the Father Creator, the Great Teaching Spirit, who abides in the open hearts and minds of all those genuine Truth-seekers. Thus the key to *open* our selves to the Truth and Reality of all things is to hold a spirit, a great intention, to be open to the Truth and Reality of all things ~ NOT as we see them, NOT as we wish them to be, NOT as we are conditioned by others or by other religious institutions, who are merely offering the “interpretive meaning” – not the “definitive meaning” – of the sacred doctrine ~ but to hear with an open heart and mind, in the gentle silence, to the Voice of the Holy Spirit. For this is the Teacher who will teach us all things, promised by our Lord and Savior Jesus Christ ~ the great Lamb of Salvation.

Amen. And may you all be blessed in our Father’s love and grace.
